Simon & Remmy are passionate about food, service and hospitality. After meeting in the Ambulance service, where Simon served 10 years and Remmy still works, they turned their passion into their business. Firstly, with Passion Supper Club that evolved into Dill & Bay Restaurant, Rothwell, now The Catchpenny, and the much anticipated - The Hide Steakhouse.

Our aim is to serve you great food in a warm comfortable environment and leave you with pleasant memories and a desire tell your friends and to return time and time again.

If ever we fall short of your expectations then please tell us. We need to know how we can improve so we can serve you better.
